

GENERAL TOURNAMENT RULES

Each match is the best of 3 tie-break sets, apart from the handicap events (please see separate sheet).

It is the responsibility of BOTH players to arrange each match. In the event of a match that has not been played by the deadline date, the committee reserves the right to scratch both competitors if neither has made any effort to arrange the match.

If anyone has a scheduling problem, please inform a tournament committee member as soon as possible, and every effort will be made to help. BUT, deadline dates are there to be met, so if someone is going on a long holiday, be prepared to concede if a match cannot be arranged.

Finals Day is on Sunday September 5. If a player cannot make finals day, please concede at a judicious point. Nobody wants to see a walkover in a final.

Many thanks.
